9.4 Sole Obligation. This Section 9 states Rubicon's sole obligation, and City's sole and exclusive remedy, with respect to infringement of proprietary and Intellectual Property Rights. Notwithstanding anything else in this Section 9, Rubicon's aggregate liability for indemnification pursuant to this Section 9 shall not exceed the original subscription fees paid by City to Rubicon for the infringing Subscribed Services.

10. Limitation on Liability.

10.1 EXCLUSION OF DAMAGES. IN NO EVENT SHALL RUBICON OR ANY OF ITS AFFILIATES OR THEIR RESPECTIVE OFFICERS, DIRECTORS, EMPLOYEES, SHAREHOLDERS, AGENTS OR REPRESENTATIVES BE LIABLE TO CLIENT OR ANY OTHER PERSON OR ENTITY FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES (INCLUDING WITHOUT LIMITATION, LOSS OF GOODWILL OR BUSINESS PROFITS, WORK STOPPAGE, DATA LOSS, OR COMPUTER FAILURE, DELAY OR MALFUNCTION), EVEN IF RUBICON HAS BEEN ADVISED OF THE POSSIBILITY OR LIKELIHOOD OF SUCH DAMAGES.

Each party will promptly notify the other upon becoming aware that a Force Majeure Event has occurred or is likely to occur and will use commercially reasonable efforts to minimize any resulting delay in or interference with the performance of its obligations under this Agreement. Notwithstanding any other provision of this Section 11.2, a Force Majeure Event shall not relieve City of its obligations to pay monies due and owing to Rubicon hereunder.

11.3 Assignment. Neither party shall assign, transfer, or otherwise delegate any of its rights, duties, or obligations under this Agreement in whole or in part to any individual, firm or corporation without the prior written consent of the other party, which consent shall not be unreasonably withheld, and any attempted assignment (whether by operation of law or otherwise) shall be void; except that Rubicon may delegate any of its rights, duties, or obligations under this Agreement to one or more of its affiliates. Notwithstanding the foregoing, either party may assign its rights, duties, and obligations hereunder, without approval of the other party, to a party that succeeds to all or substantially all of its assets or business (whether by sale, merger, operation of law or otherwise), so long as the assignee, and the City agrees in writing to be bound by the terms and conditions of this Agreement; provided, however, that any such assignment by City shall be subject to any fee adjustments specified in an Order, or that may be necessary because of City's use of the subscribed Services beyond the licensing parameters specified in the applicable Order; and further provided that no such assignment may be to a competitor of Rubicon. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their successors and permitted assigns.

11.4 Independent Contractors. Nothing in this Agreement shall be construed to create an agency, joint venture, partnership or other form of business association between the parties. Neither party has the right or authority to make any contract, representation or binding promise of any nature on behalf of the other party, and neither party shall hold itself out as having such right or authority.

11.5 No Waiver. The failure on the part of either party to exercise any right or remedy hereunder will not operate as further waiver of such right or remedy in the future or any other right or remedy.

11.6 Severability. In the event that any provision of this Agreement is held invalid or unenforceable in any circumstances by a court of competent jurisdiction, the remainder of this Agreement, and the application of such provision in any other circumstances, will not be affected thereby.

11.7 Counterparts. This Agreement may be executed in duplicate and either copy or both copies are considered originals.

11.8 Notices. Professional Services Terms

These Professional Services Terms are hereby annexed to and made a part of the Master Software Services Agreement (the “Agreement”) between Rubicon and City. In the event any provisions of these Professional Services Terms contradict or are inconsistent with the provisions of the Agreement, the provisions these Professional Services Terms shall prevail and govern.

1. Services. Upon approval by the City, Rubicon will provide consultants to perform implementation, consulting and training services to the extent such Professional Services are identified in any mutually agreed upon Statement of Work more fully describing the project assumptions, specifications, scope, work plan, responsibilities, duration and fees for such Professional Services, which Statements of Work shall reference the Agreement and be sequentially numbered. Any modifications to a Statement of Work shall be made by written change order, in Rubicon’s standard form, executed by both parties to this Agreement (a “Change Order”). Each Change Order complying with this Section shall be deemed to be an amendment to the applicable Statement of Work to which it applies and shall become a part thereof.
2. Cooperation. All Professional Services will be coordinated with the designated City Project Coordinator, as identified in each Statement of Work. City shall cooperate and provide information as is reasonably necessary or desirable for the timely completion of the Professional Services. City shall at all times make available its functional and/or information technology personnel as reasonably required or desirable for Rubicon to perform the Professional Services, and City shall timely fulfill its obligations and responsibilities set forth in each Statement of Work. To the extent required or as specified in any Statement of Work or work plan, City shall provide Rubicon with access to its facilities, software, systems, data, information and support materials to perform the Professional Services. City acknowledges that Rubicon’s performance hereunder is contingent on City’s timely and effective performance of City’s responsibilities and City’s timely decisions and approvals. If City fails to provide required information and/or make decisions as agreed or in a reasonably expeditious and timely manner, and such failure results in a delay in delivery of any deliverables or Work Product or to the overall project, City agrees to extend the time frame for delivery of the deliverable or project, as applicable, on a day for day basis and compensate Rubicon for any additional work required as a result of such delay.
3. Project Control. Rubicon shall have the sole right to supervise, manage, contract, direct, procure, perform, or cause to be performed, all Professional Services performed by it pursuant to a Statement of Work. Rubicon may subcontract all or a portion of the Professional Services to a qualified third party. In recognition that Rubicon personnel may perform similar services for third parties, this Agreement shall not prevent Rubicon from providing services or developing materials that may be perceived as competitive with those developed or provided hereunder, subject to the confidentiality provisions of the Agreement.
4. Compensation. All Professional Services will be provided by Rubicon on a time, materials and expense basis at Rubicon’s then current rates, unless otherwise agreed by the parties in a Statement of Work.
5. Termination. These Professional Services Terms shall be effective as of the Effective Date of the Agreement and shall remain in effect until (a) terminated by either party upon thirty (30) days prior written notice in the event no Statement of Work is outstanding; or (b) as provided in the Agreement, whichever is earlier.
6. Additional Services. Any services performed by Rubicon at the request of City that are outside the scope of any Professional Services described in the applicable Statement of Work shall be governed by these terms and will be billed at Rubicon’s then current rates. All required services by Rubicon outside the scope of any Professional Services will need to be approved in writing by the City and follow City procurement requirements.

SERVICE AVAILABILITY

RUBICONSmartCity software is hosted externally using Amazon Web Services (AWS).

Below please find our standard Service Level Availability Policy (SLA):

Rubicon's Service Availability commitment for a given calendar month is **99.5%**. Service Availability is calculated per month as follows: $(\text{Total time} - \text{Unplanned Outage} - \text{Planned Maintenance}) / (\text{Total} - \text{Planned Maintenance}) \times 100$

- Definitions:
 - *Total time* is the total minutes in the month
 - *Unplanned Outage* is total minutes unavailable due to an unplanned outage in the month
 - *Planned Maintenance* is total minutes of planned maintenance in the month. Currently, Planned Maintenance is four (4) hours for weekly maintenance, four (4) hours for monthly maintenance, four (4) hours for quarterly maintenance. Rubicon's current weekly maintenance begins at 10 pm (Eastern) on Fridays; monthly maintenance begins at 2:00 am (Eastern) on Saturday; and quarterly maintenance begins at 6:00am (Eastern) on Saturday. All times are subject to change upon reasonable notice. If actual maintenance exceeds the time allotted for Planned Maintenance, it is considered an Unplanned Outage. If actual maintenance is less than time allotted for Planned Maintenance, that time is not applied as a credit to offset any Unplanned Outage time for the month. The measurement point for Service Availability is the availability of the Rubicon Service. Customer may request an availability report once per month.
- Service Response
 - Rubicon Production Support and Service Level Availability Policy (SLA)
 - Rubicon's Service Response commitment is: (1) not less than 50% of (online) transactions in two (2) seconds or less and not more than 10% in five (5) seconds or more.
 - Service Response is the processing time of the Rubicon Production Service in the Amazon Web Service data center to complete transactions submitted from a web browser.
 - The time required to complete the request will be measured from the point in time when the request has been fully received by the encryption endpoint in the Amazon Web Service data center, until such time as the response begins to be returned for transmission to Customer. Customer may request a response time report not more than once per month via email.
- Disaster Recovery
 - Rubicon commits to a recovery time objective of twelve (12) hours - measured from the time that the Rubicon Service becomes unavailable until it is available again. Rubicon commits to a recovery point objective of one (1) hour - measured from the time that the first transaction is lost until the Rubicon Service became unavailable.
 - Rubicon will test the disaster recovery plan once every six months and will make available a written summary of the results of the most recent test available to Customer upon its request made via the Customer Center.
- Severity Level Determination Submittal
 - Customer shall reasonably self-diagnose each support issue and recommend to Rubicon an appropriate Severity Level designation. Rubicon shall validate Customer's Severity Level designation or notify Customer of a proposed change in the Severity Level designation to a higher or lower level with justification for the proposal. In the event of a conflict regarding the appropriate Severity Level designation, each party shall promptly escalate such conflict to its management team for resolution through consultation between the parties' management, during which time the parties shall continue to handle the support issue in accordance with the Rubicon Severity Level designation. In the rare case a conflict requires a management discussion, both parties shall be available within one hour of the escalation.

- Support Issue Production Levels - Response and Escalation

ADDENDUM B

Statement of Work – RUBICONSmartCity™

Rubicon will outfit **56** of the City's solid waste and recycling vehicles with the appropriate number of In-Cab-Interface (ICI) devices in order to provide insights into the City's waste, recycling, yard waste, and bulk pick-up collection operations (the ICI total includes an additional allotment for Supervisor use). Rubicon can either provide all hardware and accompanying accessories for the ICI devices for all vehicles, or provide download licenses which allow the department to utilize existing City owned ICI devices.

- Monitor and collect real time data on the City's solid waste, recycling, and bulk operations, capturing vehicle position, associated driver, route details & progress, and vehicle breadcrumbs on the Portal;
- Provide data insights on service verification, vehicle telematics, and driver performance;
- Log and photograph exceptions at the curb including, but not limited, cart not out, cart blocked, and bulk before /after photos;
- Report critical community issues – such as potholes, graffiti, branches, damaged public litter cans - via the In-Cab-Interface. Issues will be associated with a location and time stamp.
- Optimize bulk and other ad hoc, point to point routing, increasing the number of pick-ups per day;
- Provide overview of all routes, route progress, and route details through the Portal;
- Provide dynamic route information to City drivers via in-truck technology, including route progress, turn by turn directions, and voice over directions;
- Digitize existing operations including electronic pre / post-trip inspections, scale tickets, and route details;
- Improve accuracy and responsiveness to customer service requests in “real time”;
- Gather, review, and export data on route mileage, route start and stop time, percentage of completed stops, miles driven, stationary time, and more;
- Identify cost savings by optimizing routes, improving driver performance, and identifying efficiencies;

Rubicon's team will work hand in hand with the Environmental Services Division to install (if necessary), instruct, and successfully deploy our solution. Rubicon will outfit the City's solid waste and recycling vehicles with ICI devices and any required accessories. We will closely coordinate with City staff to ensure installation does not disrupt daily operations. In addition, our Customer Success team will conduct a series of stakeholder specific trainings onsite or remotely to ensure all necessary and applicable City drivers, dispatchers, supervisors, and managers all know how to use our technology. Our Customer Success team will be available to do additional remote and onsite training as needed by the City.

Rubicon will provide the City of Santa Fe with ongoing support delivered by our Customer Success Manager, whose mission is to deliver on our commitments to meet or exceed the City's expectations. Rubicon will provide the City with numerous ways to contact the Customer Success Manager (i.e. phone, email, online help desk). This advocate is responsible for contract adherence, relationship health and continuous improvement, and will serve as an escalation point. The Customer Success Manager will also conduct consistent update calls with the City and provide support and training as needed throughout the lifetime of the contract.

Rubicon Deliverables:

- Provide all necessary hardware, software, installation, and training.
- Install all equipment or, in the case of City-led installation, advise the City on best method to install the equipment.
- Provide training to City staff on the equipment and portal and any maintenance required throughout the lifetime of the contract, where necessary.
- Monitor and service the hardware as needed to ensure it continues to function effectively for the lifetime of the contract.

- Provide analysis on this data as needed to deliver insights to the Environmental Services Division.

Pricing Details

The parties agree that the fees for the above services shall be a total of **\$515,532.80** payable as follows (“Fee”):

- a. **\$128,883.20.**
- b. **\$128,883.20 due upon the first anniversary of the agreement.**
- c. **\$128,883.20 due upon the second anniversary of the agreement.**
- d. **\$128,883.20 due upon the third anniversary of the agreement.**

30-days prior to the due dates Rubicon will provide an invoice to the City, and support the city in creating a purchase order.

Rubicon uses a Software-as-a-Service (SaaS) model for pricing. SaaS service models provide several advantages for the customer:

- Solution upgrades become available for customers automatically. Costs and effort associated with upgrades and new releases are lower than the traditional model that usually forces the user to buy an upgrade package and install it or pay for specialized services to get the environment upgraded.
- Reduce the costs for hardware and software licenses compared with the traditional model because service usually resides in shared or multi-user environments.
- Reduce the time spent on installation and configuration reducing issues that complicate software deployment.
- Reduce maintenance costs since Rubicon owns the environment and costs are split among all customers that use the solution.
- No hidden costs for additional services or features.

RE: Rubicon SmartCity Contract

ITEM AND ISSUE:

The Environmental Services Division requests for the approval to enter a four-year contract with Rubicon Global LLC, utilizing the H-GAC Buy cooperative purchasing agreement contract FLO3-21, in the yearly amount of \$128,883.20 plus NMGR for FY23 (\$515,532.80 Total for a 4 year contract); Shirlene Sitton, Environmental Services Division Director, sesitton@santafenm.gov; 505-955-2209.

BACKGROUND AND SUMMARY:

The Environmental Services Division (ESD) released an RFP in 2018 for a solid waste collection oriented on-board routing and ticketing technology. The contract was awarded to Rubicon Global LLC, a certified B corporation who already had similar technology for the commercial sector, which was oriented to help customers reduce their waste. Rubicon was entering into the municipal residential sector with its SmartCity product, when we chose to partner with them as a Beta city for product development. The partnership has been very successful, as they have improved their product and expanded the types of services offered, in-part based on our requirements and requests. Some of these examples include electronic in-app pre- and post-trips for the operators, a new cart maintenance ticketing system, and specialized graffiti work orders. The four-year contract comes to an end on June 31, 2022.

One of the elements of the RFP and subsequent contract included a route optimization project, which we have been working together on over the past few months. Rubicon has been collecting the data transmitted from our routes over the past four years, and has the information needed to ensure our over-the-road efficiency. We plan to implement the optimized routes in August of this year. With the amount of time and effort already invested to build these databases of addresses and routes, we feel it would not be in the City's best interest to change providers at this time. Rubicon is now represented on the H-GAC Buy cooperative purchasing agreement, enabling us to request a new contract through that method.

An overview of the services provided by Rubicon includes:

- On-board device with unique routes for each driver and turn by turn directions
- Exception reporting so drivers can take pictures of non-compliant set-outs that are geocoded, time-stamped, and linked to customer accounts
- On the fly re-routing to other operators in cases of vehicle breakdown
- Real-time GPS tracking of each vehicle on-route
- Web-based log in program for office staff to see vehicle locations, route completion status, exception pictures and reports, ensuring better customer service
- Ticketing and routing for daily on-call routes, repairs, or complaints
- Large variety of reporting available to download from collected data
-

- Route Optimization functions to save time and money
- Engine interface devices to report malfunctions via automated emails to maintenance staff
- Notes driver behaviors such as speeding, hard braking, and sudden turns
- Provides accountability for both customers and employees
- Reliable cloud-based technology hosted by Amazon

As they have grown and improved this line of business, they have been able to decrease costs, resulting in a cost savings of \$40,000 less over four years for the base price. This includes an upgrade from the iPhones currently in use, to tablets, which will give the operators a larger screen for turn-by-turn directions as they learn the new routes later this summer.

Dear Ms. Conner,

Rubicon is listed on H-GAC Buy under Contract FL03-21. This contract expires on 02/28/2023, at which time Rubicon will be required to resubmit a bid to continue its listing on H-GAC. Rubicon has been listed on H-GAC since 2019, and it expects to maintain a contractual relationship with H-GAC for the foreseeable future. - C. Customers have the right to issue a change order to any purchase orders issued to the Contractor for the purposes of clarification or inclusion of additional specifications, qualifications, conditions, etc. The change order must be in writing and agreed upon by Contractor and the Customer agency prior to issuance of any Change Order. A copy of the Change Order must be provided by the Contractor to, and acknowledged by, H-GAC.

ARTICLE 22: CONTRACT ITEM CHANGES

- A. If a manufacturer discontinues a contracted item, that item will automatically be considered deleted from the contract with no penalty to Contractor. However, H-GAC may at its sole discretion elect to make a contract award to the next lowest Respondent for the item, or take any other action deemed by H-GAC, at its sole discretion, to be in the best interests of its Customers.
- B. If a manufacturer makes any kind of change in a contracted item which affects the contract price, Contractor must advise H-GAC of the details. H-GAC may allow or reject the change at its sole discretion. If the change is rejected, H-GAC will remove the item from its program and there will be no penalty to Contractor. However, H-GAC may at its sole discretion elect to make a contract award to the next lowest Respondent for the item, or take any other action deemed by H-GAC, at its sole discretion, to be in the best interests of its Customers.
- C. If a manufacturer makes any change in a contracted item which does not affect the contract price, Contractor shall advise H-GAC of the details. If the 'new' item is equal to or better than the originally contracted item, the 'new' item shall be approved as a replacement. If the change is rejected H-GAC will remove the item from its program and there will be no penalty to Contractor. However, H-GAC may at its sole discretion elect to make a contract award to the next lowest Respondent for the item or may take any other action deemed by H-GAC at its sole discretion, to be in the best interests of its Customers.
- D. In the case of specifically identified catalogs or price sheets which have been contracted as base bid items or as published options, routine published changes to products and pricing will be automatically incorporated into the contract. However, Contractor must still provide thirty (30) calendar days written

notice and an explanation of the changes to products and pricing. H-GAC will respond with written approval.

ARTICLE 23: CONTRACT PRICE ADJUSTMENTS

Price Decreases

If Contractor's Direct Cost decreases at any time during the full term of this award, Contractor must immediately pass the decrease on to H-GAC and lower its prices by the amount of the decrease in Direct Cost. (Direct Cost means Contractor's cost from the manufacturer of any item or if Contractor is the manufacturer, the cost of raw materials required to manufacture the item, plus costs of transportation from manufacturer to Contractor and Contractor to H-GAC. Contractor must notify H-GAC of price decreases in the same way as for price increases set out below. The price decrease shall become effective upon H-GAC's receipt of Contractor's notice. If Contractor routinely offers discounted contract pricing, H-GAC may request Contractor accept amended contract pricing equivalent to the routinely discounted pricing

Price Increases

Contractors may request a price increase after twelve (12) months from the bid opening date of the bid received by H-GAC. The amount of any increase will not exceed actual documented increase in Contractor's Direct Cost and will not exceed 10% of the previous bid price. Considerations on the percentage limit will be given if the price increase is the result of increased tariff charges, or other economic factors.

Price Changes

Any permanent increase or decrease in offered pricing for a base contract item or published option is considered a price change. Temporary increases in pricing by whatever name (e.g. 'surcharge', 'adjustment', 'equalization charge', 'compliance charge', 'recovery charge', etc.), are also considered to be price changes. For published catalogs and price sheets as part of an H-GAC contract, requests to amend the contract to reflect any new published catalog or price sheet must be submitted whenever the manufacturer publishes a new document. The request must include the new catalog or price sheet.

All Products shall, at time of sale, be equipped as required under any then current applicable local, state, and federal government requirements. If, during the course of any contract, changes are made to any government requirements which cause a manufacturer's costs of production to increase, Contractor may increase pricing to the extent of Contractor's actual cost increase. The increase must be substantiated with support documentation acceptable to H-GAC prior to taking effect. Modifications to a Product required to comply with such requirements which become effective after the date of any sale are the responsibility of the Customer.

Requesting Price Increase/Required Documentation

Contractor must submit a written notification at least thirty (30) calendar days prior to the requested effective date of the change, setting the amount of the increase, along with an itemized list of any increased prices, showing the Contractor's current price, revised price, the actual dollar difference and the percentage of the price increase by line item. Price change requests must include H-GAC Forms D Offered Item Pricing and E Options Pricing, or the documentation used to submit pricing in the original Response and be supported with substantive documentation (e.g. manufacturer's price increase notices, copies of invoices from suppliers, etc.) clearly showing that Contractor's actual costs have increased per the applicable line item bid. The Producer Price Index (PPI) may be used as partial justification, subject to approval by H-GAC, but no price increase based solely on an increase in the PPI will be allowed. This documentation should be submitted in Excel format to facilitate analysis and updating of the website. The letter and documentation must be sent to the Bids and Specifications manager, William Burton, at William.Burton@h-gac.com

Review/Approval of Requests

If H-GAC approves the price increase, Contractor will be notified in writing; no price increase will be effective until Contractor receives this notice. If H-GAC does not approve Contractor's price increase, Contractor may terminate its performance upon sixty (60) days advance written notice to H-GAC, however Contractor must fulfill any outstanding Purchase Orders. Termination of performance is Contractor's only remedy if H-GAC does not approve the price increase. H-GAC reserves the right to accept or reject any price change request.

ARTICLE 24: DELIVERIES AND SHIPPING TERMS

The Contractor agrees to make deliveries only upon receipt of authorized Customer Purchase Order acknowledged by H-GAC. Delivery made without such Purchase Order will be at Contractor's risk and will leave H-GAC the option of canceling any contract awarded to the Contractor. The Contractor must secure and deliver any item within five (5) working days, or as agreed to on any corresponding customer Purchase Order.

Shipping must be Freight On Board Destination to the delivery location designated on the Customer purchase order. The Contractor will retain title and control of all goods until delivery is completed and the Customer has accepted the delivery. All risk of transportation and all related charges are the responsibility of the Contractor. The Customer will notify the Contractor and H-GAC promptly of any damaged goods and will assist the Contractor in arranging for inspection. The Contractor must file all claims for visible or concealed damage. Unless otherwise stated in the Agreement, deliveries must consist only of new and unused merchandise.

ARTICLE 25: RESTOCKING (EXCHANGES AND RETURNS)

There will be no restocking charge to the Customer for return or exchange of any item purchased under the terms of any award. If the Customer wishes to return items purchased under an awarded contract, the Contractor agrees to exchange these items for other items, with no additional charge incurred. Items must be returned to Contractor within thirty (30) days from date of delivery. If there is a difference in price in the items exchanged, the Contractor must notify H-GAC and invoice Customer for increase price or provide the Customer with a credit or refund for any decrease in price per Customer's preference. On items returned, a credit or cash refund will be issued by the Contractor to Customer. This return and exchange option will extend for thirty (30) days following the expiration of the term of the Contract. All items returned by the Customer must be unused and in the same merchantable condition as when received. Items that are special ordered may be returned only upon approval of the Contractor.

ARTICLE 26: MANUALS

Each product delivered under contract to any Customer must be delivered with at least one (1) copy of a safety and operating manual and any other technical or maintenance manual. The cost of the manual(s) must be included in the price for the Product offered.

ARTICLE 27: OUT OF STOCK, PRODUCT RECALLS, AND DISCONTINUED PRODUCTS

H-GAC does NOT purchase the products sold pursuant to a Solicitation or Agreement. Contractor is responsible for ensuring that notices and mailings, such as Out of Stock or Discontinued Notices, Safety Alerts, Safety Recall Notices and customer surveys, are sent directly to the Customer with a copy sent to H-GAC. Customer will have the option of accepting any equivalent product or canceling the item from Customer's Purchase Order. Contractor is not authorized to make substitutions without prior approval.

ARTICLE 28: WARRANTIES, SALES, AND SERVICE

Warranties must be the manufacturer's standard and inclusive of any other warranty requirements stated in the Agreement; any warranties offered by a dealer will be in addition to the manufacturer's standard warranty and will not be a substitute for such. Pricing for any product must be inclusive of the standard warranty.

Contractor is responsible for the execution and effectiveness of all product warranty requests and any claims, Contractor agrees to respond directly to correct warranty claims and to ensure reconciliation of warranty claims that have been assigned to a third party.

ARTICLE 29: TERMINATION PROCEDURES

The Contractor acknowledges that this Agreement may be terminated for Convenience or Default. H-GAC will not pay for any expenses incurred after the termination date of the contract.

A. *Convenience*

H-GAC may terminate this Agreement at any time, in whole or in part, with or without cause, whenever H-GAC determines that for any reason such termination is in the best interest of H-GAC, by providing written notice by certified mail to the Contractor. Upon receipt of notice of termination, all services hereunder of the Contractor and its employees and subcontractors shall cease to the extent specified in the notice of termination.

The Contractor may cancel or terminate this Agreement upon submission of thirty (30) days written notice, presented to H-GAC via certified mail. The Contractor may not give notice of cancellation after it has received notice of default from H-GAC.

B. *Default*

H-GAC may, by written notice of default to the Contractor, terminate the whole or any part of the Agreement, in any one of the following circumstances:

- (1) If the Contractor fails to perform the services herein specified within the time specified herein or any extension thereof; or
- (2) If the Contractor fails to perform any of the other provisions of this Agreement for any reason whatsoever, or so fails to make progress or otherwise violates the Agreements that completion of services herein specified within the Agreement term is significantly endangered, and in either of these two instances does not cure such failure within a period often (10) days (or such longer period of time as may be authorized by H-GAC in writing) after receiving written notice by certified mail of default from H-GAC.
- (3) In the event of such termination, Contractor will notify H-GAC of any outstanding Purchase Orders and H-GAC will consult with the End User and notify the Contractor to what extent the End User wishes the Contractor to complete the Purchase Order. If Contractor is unable to do so, Contractor may be subject to a claim for damages from H-GAC and/or the End User.

ARTICLE 30: SEVERABILITY

H-GAC and Contractor agree that should any provision of this Agreement be determined to be invalid or unenforceable, such determination shall not affect any other term of this Agreement, which shall continue in full force and effect.

ARTICLE 31: FORCE MAJEURE

To the extent that either party to this Agreement shall be wholly or partially prevented from the performance of any obligation or duty placed on such party by reason of or through strikes, stoppage of labor, riot, fire, flood, acts of war, insurrection, accident, order of any court, act of God, or specific cause reasonably beyond the party's control and not attributable to its neglect or nonfeasance, in such event, the time for the performance of such obligation or duty shall be suspended until such disability to perform is removed. Determination of force majeure shall rest solely with H-GAC.

ARTICLE 32: CONFLICT OF INTEREST

Except as stated below, all materials submitted to H-GAC, including any attachments, appendices, or other information submitted as a part of a submission or Master Agreement, are considered public information, and become the property of H-GAC upon submission and may be reprinted, published, or distributed in any manner by H-GAC according to open records laws, requirements of the US Department of Labor and the State of Texas, and H-GAC policies and procedures. In the event the Contractor wishes to claim portions of the response are not subject to the Texas Public Information Act, it shall so; however, the determination of the Texas Attorney General as to whether such information must be disclosed upon a public request shall be binding on the Contractor. H-GAC will request such a determination only if Contractor bears all costs for preparation of the submission. H-GAC is not responsible for the return of creative examples of work submitted. H-GAC, through its staff or designated public accounting firm, the State of Texas, and United States Government, shall have the right at any reasonable time to inspect, copy and audit those records on or off the premises by authorized representatives of its own or any public accounting firm selected by H-GAC. The right of access to records is not limited to the required retention period, but shall last as long as the records are retained. Failure to provide access to records may be cause for termination of the Master Agreement. The records to be thus maintained and retained by the Contractor shall include (without limitation): (1) personnel and payroll records, including social security numbers and labor classifications, accounting for total time distribution of the Contractor's employees working full or part time on the work, as well as cancelled payroll checks, signed receipts for payroll payments in cash, or other evidence of disbursement of payroll payments; (2) invoices for purchases, receiving and issuing documents, and all other unit inventory records for the Contractor's stocks or capital items; and (3) paid invoices and cancelled checks for materials purchased and for subcontractors' and any other third parties' charges.

Any alterations, additions, or deletions to the terms of this Master Agreement, which are required by changes in federal or state law or by regulations, are automatically incorporated without written amendment hereto, and shall become effective on the date designated by such law or by regulation.
- B. To ensure the legal and effective performance of this Master Agreement, both parties agree that any amendment that affects the performance under this Master Agreement must be mutually agreed upon and

that all such amendments must be in writing. After a period of no less than 30 days subsequent to written notice, unless sooner implementation is required by law, such amendments shall have the effect of qualifying the terms of this Master Agreement and shall be binding upon the parties as if written herein.

- C. Customers have the right to issue a change order to any purchase orders issued to the Contractor for the purposes of clarification or inclusion of additional specifications, qualifications, conditions, etc. The change order must be in writing and agreed upon by Contractor and the Customer agency prior to issuance of any Change Order. A copy of the Change Order must be provided by the Contractor to, and acknowledged by, H-GAC.

ARTICLE 22: CONTRACT ITEM CHANGES

- A. If a manufacturer discontinues a contracted item, that item will automatically be considered deleted from the contract with no penalty to Contractor. However, H-GAC may at its sole discretion elect to make a contract award to the next lowest Respondent for the item, or take any other action deemed by H-GAC, at its sole discretion, to be in the best interests of its Customers.
- B. If a manufacturer makes any kind of change in a contracted item which affects the contract price, Contractor must advise H-GAC of the details. H-GAC may allow or reject the change at its sole discretion. If the change is rejected, H-GAC will remove the item from its program and there will be no penalty to Contractor. However, H-GAC may at its sole discretion elect to make a contract award to the next lowest Respondent for the item, or take any other action deemed by H-GAC, at its sole discretion, to be in the best interests of its Customers.
- C. If a manufacturer makes any change in a contracted item which does not affect the contract price, Contractor shall advise H-GAC of the details. If the 'new' item is equal to or better than the originally contracted item, the 'new' item shall be approved as a replacement. If the change is rejected H-GAC will remove the item from its program and there will be no penalty to Contractor. However, H-GAC may at its sole discretion elect to make a contract award to the next lowest Respondent for the item or may take any other action deemed by H-GAC at its sole discretion, to be in the best interests of its Customers.
- D. In the case of specifically identified catalogs or price sheets which have been contracted as base bid items or as published options, routine published changes to products and pricing will be automatically incorporated into the contract. However, Contractor must still provide written notice and an explanation of the changes to products and pricing. H-GAC will respond with written approval.

ARTICLE 23: CONTRACT PRICE ADJUSTMENTS

Price Decreases

If Contractor's Direct Cost decreases at any time during the full term of this award, Contractor must immediately pass the decrease on to H-GAC and lower its prices by the amount of the decrease in Direct Cost. (Direct Cost means Contractor's cost from the manufacturer of any item or if Contractor is the manufacturer, the cost of raw materials required to manufacture the item, plus costs of transportation from manufacturer to Contractor and Contractor to H-GAC. Contractor must notify H-GAC of price decreases in the same way as for price increases set out below. The price decrease shall become effective upon H-GAC's receipt of Contractor's notice. If Contractor routinely offers discounted contract pricing, H-GAC may request Contractor accept amended contract pricing equivalent to the routinely discounted pricing.

Price Increase

Contractors may request a price increase for items priced as Base Bid items and Published Options. The amount of any increase will not exceed actual documented increase in Contractor's Direct Cost and will not exceed 10% of the previous bid price. Considerations on the percentage limit will be given if the price increase is the result of increased tariff charges or other governmental actions, or other economic factors. Manufacturer price/contract changes involving the sale of motor vehicles will be considered and may be allowed during the entire contract

period subject to submission and verification of the proper documentation required for a contract change as referenced in this section.

Price Changes

Any permanent increase or decrease in offered pricing for a base contract item or published option is considered a price change. Temporary increases in pricing by whatever name (e.g., 'surcharge', 'adjustment', 'equalization charge', 'compliance charge', 'recovery charge', etc.), are also considered to be price changes.

For published catalogs and price sheets as part of an H-GAC contract, requests to amend the contract to reflect any new published catalog or price sheet must be submitted whenever the manufacturer publishes a new document. The request must include the new catalog or price sheet. All Products shall, at time of sale, be equipped as required under any then current applicable local, state, and federal government requirements. If, during any contract, changes are made to any government requirements which cause a manufacturer's costs of production to increase, Contractor may increase pricing to the extent of Contractor's actual cost increase. The increase must be substantiated with support documentation acceptable to H-GAC prior to taking effect. Modifications to a Product required to comply with such requirements which become effective after the date of any sale are the responsibility of the Customer.

Requesting Price Increase/Required Documentation

Contractor must submit a written overview of changes requested and reasons for the request, stating the amount of the increase, along with an itemized list of any increased prices, showing the Contractor's current price, revised price, the actual dollar difference and the percentage of the price increase by line item. Price change requests must be supported with substantive documentation (e.g., notices from suppliers and manufacturers of pricing changes in products, components, transportation, raw materials or commodities, and/or product availability, copies of invoices from suppliers, etc.) clearly showing that Contractor's actual costs have increased per the applicable line-item bid. The Producer Price Index (PPI) may be used as partial justification, subject to approval by H-GAC, but no price increase based solely on an increase in the PPI will be allowed. This documentation should be submitted in Excel format to facilitate analysis and updating of the website. The letter and documentation must be sent to Lead Program Coordinator, james.glover@h-gac.com.

Review/Approval of Requests

If H-GAC approves the price increase, Contractor will be notified in writing; no price increase will be effective until Contractor receives this notice. If H-GAC does not approve Contractor's price increase, Contractor may terminate its performance upon sixty (60) days advance written notice to H-GAC, however Contractor must fulfill any outstanding Purchase Orders. Termination of performance is Contractor's only remedy if H-GAC does not approve the price increase. H-GAC reserves the right to accept or reject any price change request.

ARTICLE 24: DELIVERIES AND SHIPPING TERMS

The Contractor agrees to make deliveries only upon receipt of authorized Customer Purchase Order acknowledged by H-GAC. Delivery made without such Purchase Order will be at Contractor's risk and will leave H-GAC the option of canceling any contract awarded to the Contractor. The Contractor must secure and deliver any item within five (5) working days, or as agreed to on any corresponding customer Purchase Order.

Unless otherwise addressed, the following requirements shall apply:

- a. Title to goods, and responsibility and liability for loss and/or damage in shipping pass to End User at the delivery destination after receipt and acceptance have taken place. Cost of shipping/delivery shall be paid by End User unless otherwise agreed to by Contractor. If Contractor will be paying for shipping/delivery, shipping terms must be "F.O.B. Destination, Freight Prepaid". If End User will be paying for shipping/delivery, shipping terms must be "F.O.B. Destination – Freight Collect".
- b. The details for the application and calculation of shipping and delivery charges must be stated in the Response on Form E. Any freight, shipping or delivery charged to End User will be prepaid and added to the invoice, and will be clearly shown on any Contract Pricing Worksheet or other quote presented to the End User.

ARTICLE 25: RESTOCKING (EXCHANGES AND RETURNS)

There will be no restocking charge to the Customer for return or exchange of any item purchased under the terms of any award. If the Customer wishes to return items purchased under an awarded contract, the Contractor agrees to exchange, these items for other items, with no additional charge incurred. Items must be returned to Contractor within thirty (30) days from date of delivery. If there is a difference in price in the items exchanged, the Contractor must notify H-GAC and invoice Customer for increase price or provide the Customer with a credit or refund for any decrease in price per Customer's preference. On items returned, a credit or cash refund will be issued by the Contractor to Customer. This return and exchange option will extend for thirty (30) days following the expiration of the term of the Contract. All items returned by the Customer must be unused and in the same merchantable condition as when received. Items that are special ordered may be returned only upon approval of the Contractor.

ARTICLE 26: MANUALS

Each product delivered under contract to any Customer must be delivered with at least one (1) copy of a safety and operating manual and any other technical or maintenance manual. The cost of the manual(s) must be included in the price for the Product offered.

ARTICLE 27: OUT OF STOCK, PRODUCT RECALLS, AND DISCONTINUED PRODUCTS

H-GAC does NOT purchase the products sold pursuant to a Solicitation or Master Agreement. Contractor is responsible for ensuring that notices and mailings, such as Out of Stock or Discontinued Notices, Safety Alerts, Safety Recall Notices, and customer surveys, are sent directly to the Customer with a copy sent to H-GAC. Customer will have the option of accepting any equivalent product or canceling the item from Customer's Purchase Order. Contractor is not authorized to make substitutions without prior approval.

ARTICLE 28: WARRANTIES, SALES, AND SERVICE

Warranties must be the manufacturer's standard and inclusive of any other warranty requirements stated in the Master Agreement; any warranties offered by a dealer will be in addition to the manufacturer's standard warranty and will not be a substitute for such. Pricing for any product must be inclusive of the standard warranty.

Contractor is responsible for the execution and effectiveness of all product warranty requests and any claims, Contractor agrees to respond directly to correct warranty claims and to ensure reconciliation of warranty claims that have been assigned to a third party.

ARTICLE 29: TERMINATION PROCEDURES

The Contractor acknowledges that this Master Agreement may be terminated for Convenience or Default. H-GAC will not pay for any expenses incurred after the termination date of the contract.

A. Convenience

H-GAC may terminate this Master Agreement at any time, in whole or in part, with or without cause, whenever H-GAC determines that for any reason such termination is in the best interest of H-GAC, by providing written notice by certified mail to the Contractor. Upon receipt of notice of termination, all services hereunder of the Contractor and its employees and subcontractors shall cease to the extent specified in the notice of termination.

The Contractor may cancel or terminate this Master Agreement upon submission of thirty (30) days written notice, presented to H-GAC via certified mail. The Contractor may not give notice of cancellation after it has received notice of default from H-GAC.

B. Default

H-GAC may, by written notice of default to the Contractor, terminate the whole or any part of the Master Agreement, in any one of the following circumstances:

- (1) If the Contractor fails to perform the services herein specified within the time specified herein or any extension thereof; or
- (2) If the Contractor fails to perform any of the other provisions of this Master Agreement for any reason whatsoever, or so fails to make progress or otherwise violates the Master Agreements that completion of services herein specified within the Master Agreement term is significantly endangered, and in either of these two instances does not cure such failure within a period of ten (10) days (or such longer

period of time as may be authorized by H-GAC in writing) after receiving written notice by certified mail of default from H-GAC.

- (3) In the event of such termination, Contractor will notify H-GAC of any outstanding Purchase Orders and H-GAC will consult with the End User and notify the Contractor to what extent the End User wishes the Contractor to complete the Purchase Order. If Contractor is unable to do so, Contractor may be subject to a claim for damages from H-GAC and/or the End User.

ARTICLE 30: SEVERABILITY

H-GAC and Contractor agree that should any provision of this Master Agreement be determined to be invalid or unenforceable, such determination shall not affect any other term of this Master Agreement, which shall continue in full force and effect.

ARTICLE 31: FORCE MAJEURE

To the extent that either party to this Master Agreement shall be wholly or partially prevented from the performance of any obligation or duty placed on such party by reason of or through strikes, stoppage of labor, riot, fire, flood, acts of war, insurrection, accident, order of any court, act of God, or specific cause reasonably beyond the party's control and not attributable to its neglect or nonfeasance, in such event, the time for the performance of such obligation or duty shall be suspended until such disability to perform is removed. Determination of force majeure shall rest solely with H-GAC.

ARTICLE 32: CONFLICT OF INTEREST

MASTER SPECIAL PROVISIONS

Please note, this is an H-GAC Master Agreement template and is used for all products and services offered in H-GAC Cooperative Purchasing. Any redlines to this Master Agreement may not be reviewed. Incorporated by attachment, as part of the whole Master Agreement, H-GAC and the Contractor do, hereby agree to the Master Special Provisions as follows:

ARTICLE 1: BIDS/PROPOSALS INCORPORATED

In addition to the whole Master Agreement, the following documents listed in order of priority are incorporated into the Master Agreement by reference: Bid/Proposal Specifications and Contractor's Response to the Bid/Proposal.

ARTICLE 2: END USER MASTER AGREEMENTS ("EUA")

H-GAC acknowledges that the END USER, which is the HGACBuy customer utilizing the contract (CUSTOMER and END USER may be used interchangeably) may choose to enter into an End User Master Agreement (EUA) with the Contractor through this Master Agreement. A CUSTOMER/END USER is a state agency, county, municipality, special district, or other political subdivision of a state, or a qualifying non-profit corporation (providing one or more governmental function or service that possess legal authority to enter into the Contract. The term of the EUA may exceed the term of the current H-GAC Master Agreement.

H-GAC's acknowledgement is not an endorsement or approval of the End User Master Agreement's terms and conditions. Contractor agrees not to offer, agree to or accept from the CUSTOMER/END USER, any terms or conditions that conflict with those in Contractor's Master Agreement with H-GAC. Contractor affirms that termination of its Master Agreement with H-GAC for any reason shall not result in the termination of any underlying EUA, which shall in each instance, continue pursuant to the EUA's stated terms and duration. Pursuant to the terms of this Master Agreement, termination of this Master Agreement will disallow the Contractor from entering into any new EUA with CUSTOMER/END USER. Applicable H-GAC order processing charges will be due and payable to H-GAC on any EUAs, surviving termination of this Master Agreement between H-GAC and Contractor.

ARTICLE 3: MOST FAVORED CUSTOMER CLAUSE

Contractor shall provide its most favorable pricing and terms to H-GAC, as follows. If at any time during this Master Agreement, Contractor develops a regularly followed standard procedure of entering into Master Agreements with other governmental customers within the State of Texas, and offers the same or substantially the same products/services offered to H-GAC on a basis that provides prices, warranties, benefits, and or terms more favorable than those provided to H-GAC, Contractor shall notify H-GAC within ten (10) business days thereafter, and this Master Agreement shall be deemed to be automatically retroactively amended, to the effective date of Contractor's most favorable past Master Agreement with another entity. Contractor shall provide the same prices, warranties, benefits, or terms to H-GAC and its CUSTOMER/END USER as provided in its most favorable past Master Agreement. H-GAC shall have the right and option at any time to decline to accept any such change, in which case the amendment shall be deemed null and void. If Contractor claims that a more favorable price, warranty, benefit, or term that was charged or offered to another entity during the term of this Master Agreement, does not constitute more favorable treatment, than Contractor shall, within ten (10) business days, notify H-GAC in writing, setting forth the detailed reasons Contractor believes the aforesaid

offer is not in fact most favored treatment. H-GAC, after due consideration of Contractor's written explanation, may decline to accept such explanation and thereupon this Master Agreement between H-GAC and Contractor shall be automatically amended, effective retroactively, to the effective date of the most favored Master Agreement, to provide the same prices, warranties, benefits, or terms to H-GAC and the CUSTOMER/END USER.

EXCEPTION: This clause shall not be applicable to prices and price adjustments offered by a bidder, proposer, or contractor, which are not within bidder's/proposer's control [example; a manufacturer's bid concession], or to any prices offered to academic institutions, or the Federal Government and its agencies.

ARTICLE 4: PARTY LIABILITY

Contractor's total liability under this Master Agreement, whether for breach of contract, warranty, negligence, strict liability, in tort or otherwise, is limited to the price of the particular products/services sold hereunder. Payment of the Order Processing Charge shall be remitted from Contractor to H-GAC, within thirty (30) calendar days or ten (10) business days after receipt of a CUSTOMER/END USER's payment, whichever comes first, notwithstanding Contractor's receipt of invoice. For sales made by Contractor based on this Master Agreement, including sales to entities without Interlocal Master Agreements, Contractor shall pay the applicable order processing charges to H-GAC. Further, Contractor agrees to encourage entities who are not members of H-GAC's Cooperative Purchasing Program to execute an H-GAC Interlocal Master Agreement. H-GAC reserves the right to take appropriate actions including, but not limited to, Master Agreement termination if Contractor fails to promptly remit the appropriate order processing charge to H-GAC. In no event shall H-GAC have any liability to Contractor for any goods or services a CUSTOMER/END USER procures from Contractor. At all times, Contractor shall remain liable to pay to H-GAC any order processing charges on any portion of the Master Agreement actually performed, and for which compensation was received by Contractor.

ARTICLE 7: LIQUIDATED DAMAGES

This insurance may be carried in several ways, e.g. under an Inland Marine policy, as art of Automobile coverage, or under a Garage Keepers policy. In any event, this coverage must be specifically and clearly listed on insurance certificate(s) submitted to H-GAC.
- d. Insurance coverage shall be in effect for the length of any contract made pursuant to the Bid/Proposal, and for any extensions thereof, plus the number of days/months required to deliver any outstanding order after the close of the contract period.
- e. Original Insurance Certificates must be furnished to H-GAC on request, showing Contractor as the insured and showing coverage and limits for the insurances listed above.
- f. If any Product(s) or Service(s) will be provided by parties other than Contractor, all such parties are required to carry the minimum insurance coverages specified herein, and if requested by H-GAC, a separate insurance certificate must be submitted for each such party.
