Lic. No. /Appl. No.: DIS-001248/BLA-0000022215
Name of Applicant: El Farol, LLC
Doing Business As: El Farol
Proposed Location: 808 Canyon Rd., Santa Fe, New Mexico 87501

The Director of the Alcoholic Beverage Control Division (ABC) has reviewed the referenced Application and granted **Preliminary Approval**. It is being forwarded to you for Local Option District approval or disapproval of the Liquor License Application.

Notice of the Public Hearing required by the Liquor Control Act **shall be given by the governing body by publishing a notice** of the date, time, and place of the hearing **twice during the 30 days prior to the hearing** in a newspaper of general circulation within the territorial limits of the governing body. **The first notice must be published at least thirty (30) days before the hearing. Both publications must occur before a hearing can be conducted.** The notice shall include:

- (A) Name and address of the Applicant/Licensee;
- (B) The action proposed to be taken;
- (C) The location of the licensed premises.

In addition, if the Local Option District has a website, **the Notice shall also be published on the website.**

While the law states that “within forty-five (45) days after receipt of a Notice from the Alcoholic Beverage Control, the governing body shall hold a Public Hearing in the question of whether the department should approve the proposed issuance or transfer”, we recognize the potential for conflict between the requirement for publication of 30-day notice and the 45-day hearing requirement.

With that in mind, when a local governing body receives a liquor license application from ABC, that governing body has a couple of options:

- 1) Hold a hearing on the license application within the statutory time frame of forty-five (45) days, as required by the Liquor Control Act, and comply with all other statutory and regulatory procedures and notify ABC of your decision within thirty (30) days of the hearing.

- 2) Request from ABC an extension of time, past the forty-five (45) days, designating how much additional time will be needed to conduct the hearing in compliance with all statutory and regulatory procedures. After the extension is granted and the hearing is held, notify ABC of your decision within thirty (30) days of the hearing.

ABC has no preference in the option you choose.

The governing body is required to send notice by certified mail to the Applicant of the date, time, and place of the Public Hearing. The governing body may designate a Hearing Officer to conduct the hearing. **A record shall be made** of the hearing.

THE APPLICANT IS SEEKING A TRANSFER OF OWNERSHIP AND LOCATION FOR AN INTER-LOCAL DISPENSER TYPE LIQUOR LICENSE NO. DIS-001248 WITH ON PREMISE CONSUMPTION AND WITH PATIO SERVICE.

Within thirty (30) days after the Public Hearing, the governing body shall notify ABC of their decision to approve or disapprove the issuance or transfer of the license by signing the enclosed original Page 1 of the Application. The original Page 1 of the Application must be returned together with the notices of publication. **If the Governing Body fails to either approve or disapprove the issuance or transfer of the license within thirty days after the Public Hearing, the Director may issue the license.**

If the Governing Body disapproves the issuance or transfer of the license, it shall notify ABC within thirty (30) days setting forth the reasons for the disapproval. A copy of the Minutes of the Public Hearing shall be submitted to ABC with the Notice of Disapproval (*Page 1 of the Application, noting disapproval*).

Subject: Zoning Verification for the property located at 808 Canyon Road, Santa Fe, NM

Dear Karl H. Sommer,

This letter provides zoning verification on the above referenced property. According to the Official Zoning Map, this property is zoned RAC Residential Arts and Crafts and is in the Downtown and Eastside Historic District.

14-3.3(A)(1) Residential Arts and Crafts District

The residential arts and crafts district (RAC) is intended to serve and preserve the prevalent characteristics of certain limited areas of the city where residential uses are intermixed with small arts and crafts shops, studios, and galleries. The goods sold from these establishments are custom-produced in small quantities and often one-of-a-kind; or arts or crafts are taught to a small number of people at one time. This district is not intended to be applied to new areas that do not already possess these characteristics.

14-1.13 (B) Legal Nonconforming Uses

A legal nonconforming use may be continued subject to the following provisions:

1. No Increase in Nonconformity

A legal nonconforming use shall not be enlarged, intensified, increased, or extended to occupy a greater area of land or structure than was occupied at the time the use became nonconforming, and a structure containing a legal nonconforming use shall be subject to the provisions of Section 14-1.13C below, unless and until the legal nonconforming use of the structure is terminated.

2. No Relocation on Parcel

A legal nonconforming use shall not be moved in whole or in part to any other portion of the parcel occupied by that use at the time the use became nonconforming.

3. Termination of Nonconforming Use

I. Except as provided for in provision II below in this subsection, a legal nonconforming use of land or use of a structure that ceases for any reason for a period of more than 180 days or is replaced by a permitted use, may not be resumed and any subsequent use of the land or structure shall conform to Chapter 14.

II. If a legal nonconforming use of land or use of a structure owned by a federal, state, or local governmental entity and used by that entity for governmental purposes ceases, regardless of the length of time for which activity ceases, it may be resumed. Such resumed uses may not be enlarged or intensified, except that in zoning districts where a conditional use approval is required, a conditional use request must be approved before the use is enlarged or intensified.

4. No Additional Structures

Additional structures shall not be erected in connection with a legal nonconforming use of land or structure.

5. Change of Use

6. A legal nonconforming use may be modified according to the procedure in Section 14-2.1 F.1

A Restaurant with Bar, Cocktail Lounge or Nightclub Comprising More Than 25% of Total Serving Area is allowed in the RAC zoning district provided that:

a. Amplified live entertainment or amplified music for dancing is prohibited after 10 p.m. in the RAC and AC districts.

b. In the RAC district, this use is limited to 3,000 square feet.

However, El Farol located on the premises of 808 Canyon Road is a legally non-conforming establishment and is permitted subject to the conditions of the variance (Case No. AB-1998-2) and Agreement between the City of Santa Fe and El Farol, Inc. (Case #'s AB 1998-2 & AB 1996-7)

For additional information, please reference City of Santa Fe Chapter 14 SFCC regarding these districts (Chapter 14-4 – Zoning Districts/14-6 Permitted Uses)

All uses are subject to compliance with applicable development standards such as parking, lot coverage, etc.

Note: The information provided in this letter is solely derived from the Official Zoning Map and the minimum requirements set forth in Chapter 14, SFCC 1987. This letter intends to provide advice regarding zoning regulations. It is not the intent to state that the subject property complies with zoning requirements. Occupancy is determined based on zoning compliance at the time of building permit or certificate of occupancy, whichever applies.
