- First Name: Thomas
- Last Name: Abeyta
- Your Email Address: thomasabeyta@unm.edu
- Your District: Outside of a Council District
- Meeting Date: 9/30/26
- Section of Agenda you would like to comment on: Public Comment
- Your Comment: Plutonium pits are the heart of the most deadly weapon humanity has ever created. The United States remains the only nation to use these apocalyptic weapons, detonating two over a maternity ward in Japan to save ourselves military casualties. There simply is no target large enough for these city destroying weapons. I do not want to destroy my planet.
