Good Day Mayor Garcia,

It was with some interest that I received the email asking for applicants for a position/s on the City Public Safety Committee. As a relatively recent arrival to Santa Fe (7 years next month) I have observed that most local committees seem to be dominated by long-term residents and that the input of recent arrivals is discounted. I would like to see that corrected. I firmly believe that our voice carries equal importance.

Since I've been retired since 2019...I haven't really needed an updated resume and have attached the last one I have. Should do the trick.
