RE: Letter of Interest – Public Safety Committee Position

Dear Mayor Garcia,

I am writing to express my strong interest in serving as a member of the City of Santa Fe Public Safety Committee. With over a decade of hands-on experience in occupational health and safety, emergency response, compliance, and safety education, I am eager to contribute my technical expertise and dedication to public well-being to support the safety initiatives of our city.

Currently serving as Assistant Manager of Health and Safety at Meow Wolf Inc., I oversee facility-wide safety standards, emergency action planning, and hazard management programs while chairing our internal Safety Committee. Additionally, as the founder and lead instructor of PAR CAN LLC here in Santa Fe, I deliver certified life-saving instruction—including First Aid, CPR, AED, and Active Threat Response—to local schools, industrial workers, and community organizations across Northern New Mexico. My professional background also includes managing large-scale operational logistics and safety protocols internationally for Cirque du Soleil.

My qualifications are backed by comprehensive certifications in OSHA standards (OSHA 511, General Industry & Construction), FEMA Incident Command Systems (IS-100, IS-200, IS-700), ALICE Active Shooter instruction, and American Red Cross emergency training. Through this experience, I have developed a deep understanding of risk assessment, cross-agency collaboration, and the practical application of safety regulations in diverse environments.

I welcome the opportunity to review police and fire department initiatives, evaluate public safety infrastructure, and provide thoughtful recommendations to the Finance Committee and Governing Body. Thank you for your time, consideration, and leadership.

Sincerely,

Patrick Reynolds
