Re: Wheelwright Museum Addition, 704 Cam Lejo, Santa Fe, NM

Dear David,
Attached please find revised drawing of the front entrance walls and gate plan and elevation. The revised drawing shows added stone veneer (field stone of irregular size and color, 4"-6" thick, 2'-0" high) on each side of the gate walls.

We thank you for your consideration of this request to add the stone veneer.

Sincerely,

Jeffrey J. Seres, A.I.A.
