Re: Wheelwright Museum Addition and Site Improvements

Dear David,

Based on our discussion on Monday, April 29th, we are respectfully requesting administrative approvals for the following site/landscape improvements at the Wheelwright Museum located at 704 Camino Lejo, Santa Fe, NM.

1. Bollard lights and parking area lighting. Bollards to be bronze color. Parking lights to be bronze color. Parking light poles to be weathered steel (specifications provided at meeting)
2. Color of iron fence to be rusty tan/weathered color.
3. Height of fence pilasters shall be reduced from the approved 8' height to 6'-8" and fence shall be 6' high. Elimination of some pilasters to allow for longer spans (approximately 16') of iron fencing. Middle supports shall be 2 1/2"x 2 1/2" steel, color to match per item 2 above.
4. Layout of fence may shift slightly from plan to allow for existing mature pinons and junipers to be preserved.

Sincerely,

Kenneth Francis,
Principal
