Summary:
The City of Santa Fe establishes standing committees in the City's municipal code and via resolution. The Civil Defense Council is one such committee that has not met for several years. This bill would repeal SFCC 1987, Section 6-3 which created the Civil Defense Council. The Civil Defense Council was created in 1962 and most recently amended in 1981 to coordinate local defense efforts with the national defense program in the event of an emergency. There is no record of the Civil Defense Council having met in the City's recent history.
