To Whom It May Concern, The Richards Ave Micro Community will provide supportive services Monday through Friday, approximately from 7:00 AM to 6:00 PM. On-site security personnel will be present to assist residents from 6:00 PM to 7:00 AM, Monday through Friday, as well as 24 hours a day on weekends. The Life Link will offer case management, housing assistance, and mental health and substance use services. Additionally, we maintain collaborative partnerships to support youth (under 18) and seniors (over 62). Please note that this prospective schedule is flexible and will adapt to resident needs once operations begin. Our weekly routine will also feature catered meal deliveries 3–4 times per week. Furthermore, The Life Link maintenance staff will be on site for approximately 20 hours per week or as needed.

Respectfully, Nicholas Tharpe
